Dear Friends,

As 2017 kicks into gear, the FRPA Foundation is proud to be entering its 20th anniversary of existence. We are thankful that we have the opportunity to join the Florida Recreation and Park Association’s efforts to advance the field of parks and recreation. Reflecting upon 2016, we have been able to support programs including the Joe Abrahams Academy for Leadership Excellence, the Emerging Leaders Institute and statewide workshops and positively impact our ability to move parks and recreation forward.

Furthering the efforts of the Health Pillar of the Strategic Plan, the FRPA Foundation was excited to announce the investment in a $25,000 grant program to provide funds to agencies implementing the Fit2Play Program at afterschool sites. Fit2Play focuses on health and nutrition programming for afterschool kids ages 6-14. Programming includes active play and nutrition education. Agencies who will receive funding must have also committed to the FRPA State of Health and Wellness Pledge. This program was chosen in an effort to support the Strategic Plan while reinvesting donations back into the field.

Additionally, we were able to host two online auctions this year, with a fundraising total of over $16,000. We are especially grateful to those who contributed items and those who bid!

You can always get involved in the FRPA Foundation. We appreciate cash donations but there are other ways you can help. You can participate in the Holiday Online Auction, which will take place August 11-20, 2017 this year. You can also designate the FRPA Foundation as your charity of choice during your agency’s United Way Campaign. Amazon Smile offers a chance for you to link your account to the Foundation so that a portion of your purchase goes back to the Foundation.

Thank you for your help in 2016 and let’s make our 20th Anniversary one to remember!

Sincerely,

Michelle Park, President
Board of Trustees
In 2016, the FRPA Foundation hosted an Online Auction via Facebook. This first-time endeavor proved to be a successful fundraising tool for the auction. Other fundraising efforts included a second online auction and the on-site vendor supported auction during the annual conference.
