Dear Friends,

I am pleased to present the 2015 Annual Report on behalf of the Board of Trustees of the FRPA Foundation, who continue to have as their priority reinvesting in the parks and recreation professional and the profession.

The Foundation continued to have a presence at the FRPA Annual Conference, state workshops, and the Agency Summit. We were also pleased to have been able to continue our sponsorship of the Abrahams Academy for Leadership Excellence and the Emerging Leaders Institute, reducing the registration costs to participants by nearly \$250 each.

We continued the Silent Auction, and included the Exhibit Hall vendors as in the previous year. Participation from the vendors increased this year, and we hope that this format continues to grow. The Silent Auction continues to be one of the primary fund raising activities facilitated by the Board of Trustees. A special thank you to all of those who donated items, as well as to those who purchased items.

Funds generated through donations and the auction provided the opportunity to again support the priorities of the FRPA. In an effort to continually assess the Foundation's purpose and goals, the Board of Trustees engaged a strategic analyst to facilitate a discussion about the future of the Foundation. The result of that dialogue was agreement to decrease the size of the Board which will occur in 2016, and a continual effort to assess the relevance of the Foundation relative to the fund raising capacity that exists. This is in keeping with the fiduciary responsibility of our Board of Trustees.

I invite you to celebrate the success of this past year, and join with us to ensure that the Foundation remains strong.

Sincerely,

Alice Conkey, President
Board of Trustees
